This is a decision on applicant's petition to withdrawal the holding of abandonment filed on March 09, 2005.

Applicant states that the document mailed by the USPTO of February 09, 2004 was not a Final Rejection, but instead a Notice of Abandonment for United States Patent Application Serial Number 09/585,859. In response to this notice, Applicant's counsel promptly contacted the Examiner on February 16, 2004 to request mailing of the correct Office Action.

The petition is **GRANTED** in view of the Interview Summary (PTOL-413) mailed February 24, 2004 in which the Examiner agreed to remail the Final Rejection and reset response period.

The application will be forwarded to the Supervisory Legal Instruments Examiner to withdraw holding of abandonment and redate and remail the Final Rejection of February 09, 2004.
